**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Im a fiber optic, residential customer of Sonic.net and support broadband competition. In the past I had ATT DSL but was able to get a better rate and faster internet by switching. Please do not take away my ability to chose smaller, locally owned competitors. A price hike will only help these already rich large corporations that dont actually care about me and do not deserve my business.
